

WHO WE ARE

The National Organization of Black Law Enforcement Executives (NOBLE) was founded in September, 1976, during a three day symposium to address crime in urban low income areas. The symposium was co-sponsored by the Police Foundation and the Law Enforcement Assistance Administration (LEAA). The Joint Center for Political Studies (JCPS) coordinated this unprecedented event in which sixty (60) top-ranking black law enforcement executives representing twenty-four (24) states and fifty-five (55) major cities gathered in the Washington, D.C. area to participate. They exchanged views about the critically high rate of crime in black urban communities and the socioeconomic conditions that lead to crime and violence. They raised questions about relevant issues such as fairness in the administration of justice, police community relations, the hiring and promotion of black police officers, and the unique problems of the black police executive.

Since our inception, NOBLE has fortified a strong philanthropic base that is focused on giving back to the community, striving to make positive changes a reality and really making a difference. We invite you to partner with NOBLE as we continue to assist those among us who are most in need.

*When we think of our organization,
we think UNSTOPPABLE*

*When others speak of our organization,
they say DEPENDABLE*

*When you become affiliated with our
organization you will say UNBELIEVABLE!!!*

GIVING BACK

MAKING A DIFFERENCE

PARTNERSHIP

The N.O.B.L.E. Chicago Metropolitan Chapter is heavily committed to working with organizations to help develop and implement better policies and programs to deal with issues that affect the community.

We strive to create sustainable change and we are proud of the strong partnership we share with several local businesses and social organizations in the city of Chicago and the state of Illinois.

Partners such as the **Broadcast Ministers Alliance** and the **Illinois Department of Public Health**, have proven important allies to facilitate the real work needed to reach the community. We could not achieve our objectives without them.

HEALTH

Diseases can be cured and they can be prevented. The Chicago Metropolitan Chapter of N.O.B.L.E. partners with the Illinois Department of Public Health to offer a variety of health screening and education fairs throughout the year. The fairs offer the information and assistance necessary to lead a healthy and productive life and addresses issues such as:

- HIV Prevention Education through the Brothers and Sister United Against HIV/AIDS (BASHUA).
- Prostate Cancer Screening and Education
- Heart Disease Screening and Education

CHILDREN

It is estimated that 15 million children are on their own for a few hours after school. This window of time increases the risk of juvenile crime or victimization. Additionally, in America, every three hours, a child is killed by gunfire. N.O.B.L.E. Chicago Metropolitan Chapter works with the younger community to provide activities, mentoring, educational opportunities and youth-development programs that develop confidence help improve relations with their peers and with adults. Some programs sponsored are:

- "Choices" and "The Yellow Dress,"
A series of educational plays for youths
- Concerts
- Back to School - School Supplies Drive
- "Kids Off the Block"
- Scholarship Programs

DOMESTIC VIOLENCE

The Chicago Metropolitan Chapter of N.O.B.L.E. takes meaningful steps to end domestic violence in the community. By partnering with State's Attorney, Anita Alvarez, Family Rescue and other partners such as Chicago's Trinity United Church and Olive Harvey College, we orient families in the prevention of domestic violence and provide education and resource information for victims of domestic violence. NOBLE's basis in law enforcement provides first-hand knowledge about the devastation of family violence, therefore we are committed to being a part of the solution.

COMMUNITY INITIATIVES

The N.O.B.L.E. Chicago Metropolitan Chapter offers opportunities for local businesses, organizations and citizens to join together as a community in support of the underprivileged. We believe that everyone deserves to be treated with dignity and respect, regardless of their personal circumstances. We take pride in sponsoring, and participating in events that foster a sense of hope and fulfillment for the people of our community. Some successful programs are:

- Annual Winter Coat Drives
- Toy Drives for Underprivileged Families
- Food for the Homeless
- Motivational Speaker Series
- Youth Town Hall
- Community Marches Against Domestic Violence and Crime
